## YOU'RE AMBITIOUS, TALENTED, AND READY TO TAKE YOUR CAREER TO THE NEXT LEVEL.

In this illuminating guide by leadership coach Ed Evarts, you'll learn the nine principles of career success, and how to implement them in your own working life. From creating great relationships with your superiors to using the power of empathy in your employee interactions, you'll be empowered with the knowledge and personal insight to steer your career to where you want it to be.

Find out:

- How to cultivate a positive relationship with your boss
- The essential questions you need to ask yourself
- The power of curiosity
- How to deliver more effective presentations
- The most important relationships to cultivate at work
- How slowing down can get you to your goals faster
- How to lead with empathy

Filled with real-life examples and practical exercises, *Drive Your Career* will give you a clear sense of where you are now, what may be holding you back, and how to get to where you want to go. Grab the steering wheel and start driving your career.

Ed Evarts is the founder and president of Excellius Leadership Development, a Boston-based coaching organization. He is a past president of the International Coach Federation of New England, the author of *Raise Your Visibility & Value*, and the host of *Be Brave @ Work*, a podcast in which leaders share stories about bravery in their careers.
